How to change time zone so your team schedule times are correct!

1. Log into your GotSport Account

2. Click the **Account** button

3. Scroll Down until you see where you can edit your address and phone number.

4. The Time Zone Name should read **Central Time (US & Canada)**

5. Once the above is selected, scroll down, and hit the **Save** button.

6. Side Note, the check boxes next to your teams should be left alone! If you click them, you will **not** receive our emails from the GotSport system!
