## **VI. New Business-**

- Medals approved and to be ordered ASAP
- The Hernandez family have had many issues and had decided to play after requesting refund, it was decided that the refund has already started being processed and that the child would not be allowed to play this season.
- Cherie Long discussed U8 rule changes about adding a goalie. Do we want to do 5V5 or just allow one player to act as goalie? Must be presented to NTX. Might make field and goal a little bigger. 4x6 is current goal size, possibly moving up 6x9. Must be summited and paid for by April 15<sup>th</sup>. Wanting to start in Fall if we decide to move forward, voted all in favor for U8 goalie.
- Cherie discussed Smart Start Program; weekly game/practice that focuses on one skill set per week. 20-minute practice and 20–30-minute scrimmage style game on Saturdays. Not only will it help new players develop skills but give coaches a guide to handling practices and what to teach. Also, no referee needed for these games freeing up refs for other games during the weekend. Purchase prices per player kit for the program is estimated \$65. Would reduce registration cost for U4 age group, would be per season which means the same program (same skills taught) would be used in Fall and Spring season. Motion passed by all to begin research on this program.
- Marissa Galaviz was voted onto the board.
- Marissa discussed checking with Brazos Printing about apparel and merchandise to sell at the concession stand. Possibly finding a company to run an online store for us to sell WSA products. We would need to decide the price range for buying products and then how much to sell said items for.
