**VI. New Business-**

Fall Registration:

Early registration dates March 8<sup>th</sup> and 15<sup>th</sup> 2021, possible cost \$100 for U8 and down, \$130 U9 and up

Regular registration dates to be determined, possible cost ideas \$95 for U8 and down, \$135 U9 and up

Online Registration dates to be determined.

Parents and coaches' issues with referees:

Discussed a 3-strike system in addition to what is already stated with North Texas and within our bylaws/rules and regulation ranging from removed from game, suspended from future games, and not allowed to register for next season; no definite solution was reached at this time.

Issues with Yarborough family:

Discussed that Clay had handed out Cherie Long's personal phone number where she was then reached out to by a parent that would not identify themselves and was aggressive with her. \*Kayla Guzman showed a printout of the conversation to the entire board\*

Clay also has filed complaints against Kayla for her and her husband are coaching 2 team even though there is no rules being broken

Clay continues to bypass proper communication process that are enforced by WSA.

Discussed that Michelle has been giving Regan incorrect tax information that Regan then in turn relayed to the referees causing confusion and tension between WSA and the Referees.

Regan has continued to cause tension between Referees and WSA Board and Board Member to Board Member, it was agreed that she has one more strike and she will be released from her position with WSA. At that time, we would discuss posting the position to be filled since David Crudup does not have faith in possible choice that is available now.

Trophies:

Laurelle Hill will obtain 3 quotes form local, in person trophies vendors along with 3 online trophy vendors; all quotes will include possible design options. Quotes and designs will be presented at next board meeting.
